EDUCATION:

BLOC UX/UI Design Apprenticeship | May 2015-September 2015

BIOLA University | B.S. Organizational Leadership | May 2005-May 2007

Cal State Fullerton | General Education | September 2000-September 2002

WORK EXPERIENCE:

New Horizons of Southern California | Account Executive | September 2014-January 2015
Sold New Horizons professional education classes to businesses.

Manheim Auto Auctions | Account Executive | April 2012-May 2014
Sold Manheim's services to my accounts by listening to dealer needs and recommending appropriate solutions. *Chosen by management to be trained on the new direction of the company, and communicate it to our department, which resulted in increased productivity from our team, and a more positive work environment.

Copart Auto Auctions | Automotive Purchasing Agent | March 2010-April 2012
Analyzed auction sales data to make offers on vehicles, and secure inventory for the auction to profit from. * Secured over \$700k in inventory, and profited the company over \$150k.

Carmax | Sales Consultant | 2009-March 2010
Sold vehicles by connecting with customers, understanding their needs , and selling the company. *Sold 15 cars my first month.
